

Air-conditioning Installer

Are YOU ready to be an AIR-CONDITIONING INSTALLER for Perth's leading air-conditioning company?

If you're driven, self motivated, have fantastic customer skills and have a minimum of 2 years experience in domestic air-conditioning installations and under-construction applications then come join our leading team today.

With quality procedures already in place you'll be responsible for installations, site inspections and retrofits. Based in our Bibra Lake office you will earn well over industry remuneration including a supplied car salary package plus incentives.

If you believe this is you, call Mark before 5pm weekdays on 9434 7610 in fact just call NOW.
