The world’s coolest, quietest and most energy efficient evaporative air conditioning
“Seeley International never stops striving to innovate and build the world’s most energy efficient heaters and air conditioners. It is this commitment to excellence that’s at the heart of everything we do.”

Frank Seeley AM FAICD
Founder and Executive Chairman
UP TO 90% CHEAPER TO RUN THAN DUCTED REVERSE CYCLE AIR CONDITIONING

LOWEST RUNNING COST IN AUSTRALIA
Cool your whole home from the cost of running a single light globe

AUSTRALIAN MADE
Built in Australia to withstand the harshest climates

QUIET TO RUN
Ask your dealer for a demonstration – see if you can hear how quiet it is

BUILT TO LAST
Quality that lasts – 7 year comprehensive warranty*

LOW MAINTENANCE
Innovative design for minimal long term cost

FRESH, COOL HEALTHY AIR
Delivers fresh, outside air – not stale recycled air

TECHNOLOGY THAT PUTS YOU IN CONTROL
Available with the touch screen MagIQtouch Controller

ALFRESCO LIVING
Most effective cooling for your outdoor entertaining lifestyle

*The 7 year comprehensive warranty is available exclusively (i.e. only) from Seeley International participating dealers. The warranty has terms and conditions, including the requirement for servicing of the product in accordance with the owner’s manual. In the fourth year the service must be performed by Seeley International or its appointed nominee.
COOL YOUR WHOLE HOME FROM THE COST OF RUNNING A SINGLE LIGHT GLOBE

Breezair is the world’s first inverter evaporative air conditioner and that means lower energy usage and running costs.

With energy prices escalating, evaporative air conditioning has a significant and increasing edge on reverse cycle, when it comes to energy efficiency, performance and lifestyle.

This could save you up to $346 per year when compared to a ducted reverse cycle system.

LOWEST RUNNING COST IN AUSTRALIA
Up to 90% cheaper to run than ducted reverse cycle air conditioning

ENERGY EFFICIENT
Better for your pocket and the environment

RUNNING COST PER YEAR*

Savings of up to $346 per year!
When compared to 20kW reverse cycle

- $37 Ducted inverter evaporative air conditioning 16kW high efficiency
- $54 Ducted evaporative air conditioning 16kW standard efficiency
- $262 Ducted reverse cycle air conditioning 20kW (zoned) high efficiency
- $287 Ducted reverse cycle air conditioning 20kW (zoned) standard efficiency
- $349 Ducted reverse cycle air conditioning 20kW (not zoned) high efficiency
- $383 Ducted reverse cycle air conditioning 20kW (not zoned) standard efficiency

*Based on approximate running cost figures per annum sourced from Sustainability Victoria – see its Cooling Fact Sheet at: www.sustainability.vic.gov.au/services-and-advice/households/energy-efficiency/toolbox/energy-efficiency-fact-sheets. Assumes a whole house area of 166 square metres, with 300 hours usage, a 60% duty cycle for air conditioners, and an electricity tariff of 28 cents/kWh. No brand names are mentioned in the Sheet. Note that evaporative coolers also use water.
### WATER USAGE (L/YR)

<td>248,200</td>
</tr>
</tbody>
</table>

Uses up to 98% less water per year than a shower.

---

^ Source: South East Water Corporation, Article: ‘How much water do my appliances use’, www.southeastwater.com.au, 2014. Breezair data is not in the Article, but is based on Melbourne 2005 weather data using 115m² house with medium Breezair evaporative unit running for 687 hours per year. Note: All figures are based on common-use assumptions.
Every time a customer chooses a Breezair evaporative
air conditioner over a refrigerated system, the benefits
for the environment are significant.

The power consumption of just one ducted refrigerated
air conditioner can result in up to 1.4 tonnes of harmful
CO₂ being pumped into the atmosphere each year.
On the other hand, Breezair evaporative air conditioners
are so efficient, they produce less than one tenth of
this volume.²

By choosing Breezair, you can help reduce the amount of
harmful greenhouse emissions entering our environment.

CO₂ EMISSIONS (KG/YR)²

CO₂ savings
equivalent to planting
18 gum trees*

When compared to 20kW reverse cycle

REDUCED GREENHOUSE GAS EMISSIONS
Up to 90% less CO₂ emissions than ducted
reverse cycle

EASY ON WATER USAGE
Innovative design for minimum water consumption

BETTER FOR THE ENVIRONMENT

CO₂ savings
equivalent to planting
18 gum trees*

When compared to 20kW reverse cycle

REDUCED GREENHOUSE GAS EMISSIONS
Up to 90% less CO₂ emissions than ducted
reverse cycle

EASY ON WATER USAGE
Innovative design for minimum water consumption

² Seeley International’s calculations, based on publicly available data (2008). CO₂ emissions based on 1.09 kg CO₂ e/kWhr electricity purchased from grid for Victoria.

Data sourced from Part 6 of Schedule 1 to the National Greenhouse and Energy Reporting (Measurement) Determination 2008 (Compilation No. 7, dated 1 July 2016).

² This is an estimate based on the CO₂ calculation above and using data from forestlearning.edu.au, ‘Carbon and its storage in forest and wood products’ article, published 2011.

Calculation based on a 12 year old spotted gum tree weighing 600kg.
Smart, sophisticated and incredibly intuitive, your MagIQtouch Controller makes operating your Breezair, a breeze. Control the temperature, fan speed and many more features on a user friendly touch screen. Discreet and modern design will blend seamlessly into the décor of your home.

**TECHNOLOGY THAT PUTS YOU AND YOUR TOUCH SCREEN IN CONTROL**
High IQ touch screen, wall mounted controller

**MAIN FEATURES**

**PROGRAM MODE**
Settable 7 day, 4 time periods program, customisable to suit your lifestyle (including a temporary over-ride function).

**ENERGY SAVING “NIGHT-QUIET” MODE**
When turned on, the energy saving “night-quiet” mode automatically reduces fan speed overnight for even greater economy and whisper-quietness.

**AUTO CLEAN FUNCTION**
World’s first fully automated pad cleansing capability enables you to set and forget ensuring your cooling pads remain clean, fresh and functional all summer long, season after season.*

*Only for cooler models fitted with the water management system.
Ask your dealer for further information.

**CHILD ACCESS LOCK**
Select a pin code to control access to your Controller.

For more information on additional features please visit [breezair.com.au](http://breezair.com.au)

**OPTIONAL EXTRA**

**MAGIQTOUCH AIR SENSOR**
Allows you to mount your MagIQtouch Controller in the most convenient place in your home, as the MagIQtouch Air Sensor will then take over temperature and humidity control from the MagIQtouch Controller. This can then be located in the best place in the house to ensure ultimate cooling comfort for everyone.
NEW IN 2016
EXTERNAL AIR SENSOR
Displays current outside temperature
Intuitively optimises water and energy usage based on outside ambient conditions
Extends the life of your air conditioner by automatically draining the water tank when temperature nears freezing
*Only available on Breezair EXS models

BREEZAIR DUCTED EVAPORATIVE AIR CONDITIONING

FEATURES AND BENEFITS

**ICON® SERIES FAN IS ULTRA-QUIET**
- Designed to deliver optimum air output at all times
- Ultra-quiet centrifugal fan with 10 speeds
- Use Fan Only mode (no water) to blow fresh air through the home and expel odours

**HUSHPOWER® DIRECT DRIVE INVERTACOOL MOTOR USES LESS ENERGY**
- Exclusive to Breezair and manufactured in Australia
- Incredibly quiet and efficient throughout operating range
- Unsurpassed reliability
- Corrosion-proofed throughout with parts that won't rust

**POWER CONTROL MODULE HELPS SAVE WATER**
- Advanced electronics ensure maximum efficiency
- Microprocessor constantly analyses water quality
- Incredibly smart, exceptionally reliable and durable

**TORNADO® PUMP THAT WON’T BLOCK**
- Australian designed and manufactured
- Exceptional reliability in extreme conditions
- Dual directional – it can’t block!

**FIREWALL EMBER SCREEN**
Helps guard against ember attack in bushfires
Made from non-combustible mesh
Maximum aperture of 2 mm
Can be fitted to existing cooler pad frames
Minimal reduction of air flow of 5%

**OPTIONAL EXTRA**
WATER AND POWER

- Water quality monitoring to maximise water savings
- Leak detection monitor

*Optional on the EXQ series, only available with the Harmony MagIQtouch Controller

DRAIN AND CLEAN FUNCTION

- Automatic water draining when the system is not in use avoids ongoing algae growth

Only available with selected MagIQtouch Controller models. Regular maintenance (typically every 2 years for domestic use) is still required.

NEW BREAKTHROUGH MINI-CELL® CHILLCEL® PAD TECHNOLOGY!

DRAMATIC IMPROVEMENT IN COOLING EFFICIENCY

- Revolutionary new Mini-Cell structure provides a new development in cooling technology
- New enhanced small cell design, means that the Breezair range boasts a new cutting edge level of cooling capacity – up to 21% more than before, for the highest efficiency product
- New pad formulation has resulted in having 25% more surface area dramatically improving cooling efficiency

- The only evaporative cooling pads fully manufactured in Australia to suit the harsh Australian climate, and now, the absolute over-performer!

EXCEPTIONAL WATER DISTRIBUTION INCREASES COOLING EFFECT

- Unique to Breezair, this Australian design ensures constant, even pad saturation increasing the cooling effect and outperforming competitor products

DRAIN AND CLEAN FUNCTION

- Automatic water draining when the system is not in use avoids ongoing algae growth

Only available with selected MagIQtouch Controller models. Regular maintenance (typically every 2 years for domestic use) is still required.

The above data was drawn from Meridian Test Laboratory’s test analysis. The testing was performed by a NATA accredited laboratory to the requirements of the Australian standard AS2913-2000 “Evaporative Air Conditioning Equipment.” Achievable with ambient 38 °C DB, 21 °C WB, room temperature 27.4 °C.

### SUPERCOOL

Enjoy superior cooling with Breezair Supercool

This premium range has extra thick Chillcel pads, producing up to 13% more cooling when compared to the Icon range. Breezair Supercool is only available from your Climate Masters of Seeley International specialist.

**LOOKING FOR A COMBINED COOLING AND HEATING SOLUTION?**

Seeley International’s range of products also includes ducted gas heating that complements your evaporative air conditioning system. Take advantage of controlling your cooling and heating systems from the same controller – the innovative touch screen MagIQtouch Controller.

Ask your dealer for the right solution for your home.
Members\(^\d\) of Climate Masters of Seeley International are heating and cooling experts, and provide a level of service you won’t get anywhere else.

\(^\d\)Members are independent retailers.
COMPREHENSIVE WARRANTY

For complete peace of mind, Breezair backs every one of its air conditioning systems with an industry leading comprehensive warranty program.

This includes a 7 year warranty (with a compulsory chargeable service in the fourth year), 10 year cover on all structural components, plus a hefty 25 year cover against corrosion, on its Permatuf® cabinets.

Please refer to your home owner’s manual at breezair.com.au for all service and warranty terms and conditions.

REGISTER YOUR WARRANTY AND GO INTO THE DRAW TO WIN $500 WORTH OF PRIZES^}

Prize includes 2 free services (up to the value of $400) and a $100 eftpos gift card

All you need is your Home Owners’ Manual then:

• Go to seeleyinternational.com and click on Get Support at the top of the page
• Choose which brand product you would like to register
  Or
• Scan the QR code on the back page of the Home Owner’s manual with a smart phone or tablet

^Terms and conditions apply. See breezair.com.au for more information, including the dates of the promotion.

BREEZAIR NATIONAL SERVICE NETWORK

Seeley International has established a highly trained national network of approved Service Agents who are only a phone call away. Should you need to contact a Service Agent, please call 1300 650 644.

*The 7 year comprehensive warranty is available exclusively (i.e. only) from Seeley International participating dealers. The warranty has terms and conditions, including the requirement for servicing of the product in accordance with the owner’s manual. In the fourth year the service must be performed by Seeley International or its appointed nominee.
To locate your nearest Climate Masters of Seeley International dealer call 1300 136 515 or go to climatemastersofsi.com.au

Please visit breezair.com.au to find out about our current promotions. *
